FOR THE DISTRICT OF NEW MEXICO

BOWLIN TRAVEL CENTERS, INC. d/b/a  
BOWLIN'S GREAT OUTDOOR ADVENTURE,  
INC., a Nevada corporation, and THE AMERICAN  
INSURANCE COMPANY, a Nebraska company,

Plaintiffs,

vs.

Civ. No. 01-1035 LFG/WWD ACE

FARMER BROTHERS, CO., f/k/a  
BREWMATIC INTERNATIONAL, a  
California corporation,

Defendant.

vs.

RANCO, INCORPORATED,

Third Party Defendant.

**MEMORANDUM OPINION AND ORDER**

This matter comes before the Court upon Defendant's Motion to Compel Expert Discovery [docket no. 49] filed July 1, 2002. Defendant seeks to copy the file of Dr. Ordean Anderson, Plaintiff's expert, and to have Dr. Anderson appear for his deposition. I do not find any authority for production of the entire file of the expert; however, production of such documents as he has relied on may be required. Such documents as Defendant has in its possession from previous litigation such as the "transcripts of ten or so depositions of a former Farmer Brothers engineer, Warand Kirsch", or other documents in the possession and control of Farmer Brothers or its counsel need not be produced. Dr. Anderson should appear upon

reasonable notice for his deposition, and if counsel are unable to agree upon a reasonable time and place for the deposition, the Court will schedule the deposition.

Discovery should proceed in accordance with the foregoing.

**IT IS SO ORDERED.**
